RIN 3206-AG49

Processing Garnishment Orders for Child Support and/or Alimony

AGENCY: Office of Personnel Management.

ACTION: Correction to final regulations.

SUMMARY: This document contains corrections to the final regulations which were published on Wednesday, January 25, 1995, (60 FR 5044). The regulations updated the list of agents designated to accept service of process in garnishment actions.

EFFECTIVE DATE: February 24, 1995.

FOR FURTHER INFORMATION CONTACT: Murray M. Meeker, Attorney, Office of the General Counsel, (202) 606-1980.

SUPPLEMENTARY INFORMATION:

On January 25, 1995, OPM published a list of agents designated to receive legal process in garnishment actions where the indebtedness was based on child support and/or alimony. Subsequent to publication, we were advised by the Defense Finance and Accounting Service that they had consolidated certain offices and requested that we correct our final rule. This correction is in compliance with this request. This document also corrects designated agent information received from several other agencies who found errors in the January 25, 1995 publication.

More specifically, this document amends the "General Notice for Certain Civilian Employees of the Army and the Navy" under the Department of Defense listing to include civilian employees of the Army and Navy who are paid by the Defense Finance and Accounting Service—Denver Center; corrects the address for the designated agent under

that heading; and amends the designated agent under the Air Force for Air Force Active Duty, Reserve, Air National Guard (ANG), and civilian employees of appropriated fund activities. In addition, this document corrects the agent listings for the Defense Mapping Agency, the Energy Department's Oakland Operations Office; the Department of Veterans Affairs' Sioux Falls Medical and Regional Office Center in South Dakota; the Federal Maritime Commission; and the Small Business Administration. This document also deletes the listing for the International Trade Commission.

recommended by the Spearmint Oil
Administrative Committee (Committee),
the agency responsible for local
administration of the marketing order
for spearmint oil produced in the Far

this rule to avoid extreme fluctuations
in supplies and prices and thus help to

will be considered prior to issuance of

SUPPLEMENTARY INFORMATION: This rule
is issued under Marketing Order No.

985 (7 CFR Part 985), regulating the
handling of spearmint oil produced in
the Far West (Washington, Idaho,
Oregon, and designated parts of
California, Nevada, Montana, and Utah),
hereinafter referred to as the "order."
This order is effective under the
Agricultural Marketing Agreement Act
of 1937, as amended (7 U.S.C. 601-674),
hereinafter referred to as the "Act."

The Department of Agriculture
(Department) is issuing this rule in
conformance with Executive Order
12866.

This rule has been reviewed under
Executive Order 12778, Civil Justice
Reform. Under the provisions of the
marketing order now in effect, salable
quantities and allotment percentages
may be established for classes of
spearmint oil produced in the Far West.
This rule increases the quantity of Class
3 spearmint oil produced in the Far
West that may be purchased from or
handled for producers by handlers
during the 1995-96 marketing year,
which ends on May 31, 1996. This rule
will not preempt any state or local laws,
regulations, or policies, unless they
present an irreconcilable conflict with
this rule.

The Act provides that administrative
proceedings must be exhausted before
parties may file suit in court. Under
section 608c(15)(A) of the Act, any
handler subject to an order may file
with the Secretary a petition stating that
the order, any provision of the order, or
any obligation imposed in connection
with the order is not in accordance with
law and request a modification of the
order or to be exempted therefrom. A
handler is afforded the opportunity for
a hearing on the petition. After the
hearing the Secretary would rule on the
petition. The Act provides that the
district court of the United States in any
district in which the handler is an
inhabitant, or has his or her principal
place of business, has jurisdiction in
equity to review the Secretary's ruling
on the petition, provided a bill in equity
is filed not later than 20 days after date
of the entry of the ruling.

Pursuant to requirements set forth in
the Regulatory Flexibility Act (RFA), the
Administrator of the Agricultural
Marketing Service (AMS) has
considered the economic impact of this
action on small entities.

The purpose of the RFA is to fit
regulatory actions to the scale of
business subject to such actions in order
that small businesses will not be unduly
or disproportionately burdened.
Marketing orders issued pursuant to the
Act, and rules issued thereunder, are
unique in that they are brought about
through group action of essentially
